R80 & R80RT Special Tools

Due to the change in 1985 model Boxer fork tube dimensions, the tools listed below have been added to the special Boxer tool listing. (See illustrations on reverse side.)

Tool No. 88 88 6 314 740: Assembly bushing for installing the damper assembly into the fork tube

Tool No. 88 88 6 314 670: Arbor drift for installing fork seals into the fork slider

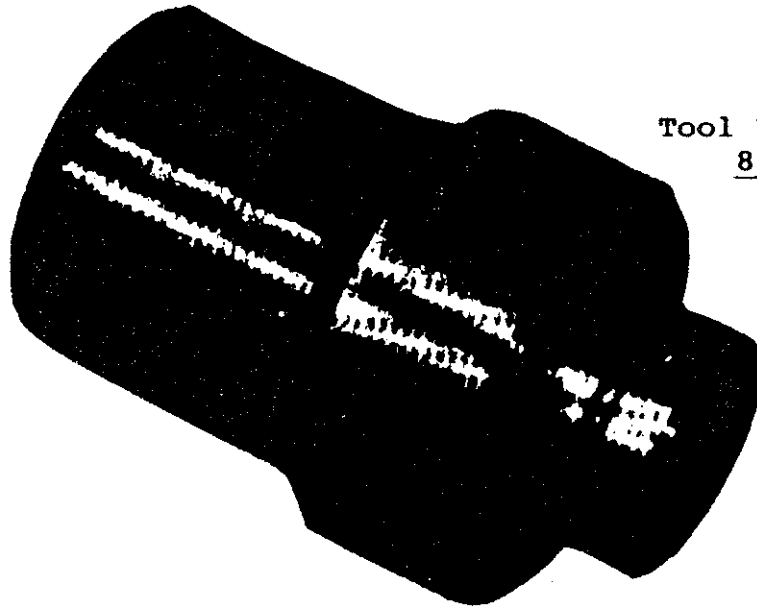

Decals with hooks and screws are available for these two special tools. Order Part No. 88 88 6 910 010. The cost per decal set is \$3.84.

Very truly yours,

BMW OF NORTH AMERICA, INC.
