BATTERY WARRANTY PRORATION SCHEDULE

Effective: 3-1-79
Supercedes Bulletin 5-79-5NS

Group 61 - Electrics

Dear Dealer:

Below is the current reimbursement schedule for all battery warranty claims. Note that free replacement is provided only in the first month of service. All batteries must be returned to Butler & Smith, Inc., clean and drained of acid and wrapped in a plastic bag, to be considered for warranty, with a completed warranty claim form signed by the customer. Documentation of date of sale must also be attached, i.e. sales receipt or repair order, in the case of replacement batteries.

Proration Rates as of March 1, 1979 are as follows:
