Paint Supplies and Training

In order to be more responsive BMW is upgrading the way paint products are being supplied. Refer to the parts bulletin in June 1992 concerning how to order paint products.

Attached is a support product crossover list which can be used for easy reference.

- Training:
- Product Familiarization
 - Vehicle Preparation
 - Practical Applications
 - Solid and Metallic Colors
 - Clear Coating
 - Color Matching
 - Polishing

Emphasis on training includes utilizing the tools, equipment, procedures approved by BMW worldwide.

Paint and body classes teach efficiency and productivity. Our joint efforts and commitment to quality training will translate into a positive customer experience that reinforces customer satisfaction and owner loyalty with BMW products and your dealership.

Motorcycle paint training dates and location are as follows:

December 7 - 10, 1992

BMW of North America, Inc.
BMW Plaza
Montvale, New Jersey 07645
