RE: BMW Touring Pannier Cases Already Fitted to  
BMW Motorcycles at the Factory

Dear Dealer:

Customers can now paint the BMW Touring Pannier Cases in order to match their BMW motorcycle. Prior to this, the reflector and the BMW emblem, which were already installed with adhesive, had to be removed again to respray the panniers.

To avoid any risk of damage, the emblem inserts will in the future be retained by an adhesive tape only on the production line.

Details for painting and the location of the side reflector are given in the assembly instructions accompanying each set of cases.

Yours truly,

BMW OF NORTH AMERICA, INC.
