ELECTRICAL WIRING DIAGRAMS

GROUP: 61 - Electrics

Dear Dealer:

In response to requests from you, our dealers, we have prepared a comprehensive set of BMW wiring diagrams for your use. Enclosed you will find a complete package containing the following diagrams:

R50/2 - R69S U.S.	1961 - 1969	6 Volt Only
R50/5 - R75/5	1970 - 1972	Without Fuses
R50/5 - R75/5 Late	1972 - 1973	With Fuses
R60/6 - R90S	1974	Only
R60/6 - R90S	1975 - 1976	Only
R60/7 - R100S	1977	Only
R100RS	1977	Only
R80/7 - R100S	1978	Only
R100RS	1978	Only
R65	1979	
R80/7, R100T, R100S	1979	
R100RS, R100RT	1979	

Also you will find an Engine Oil Circulation Diagram for assistance with trouble shooting.

I hope that these diagrams prove useful for future service and repair work. It is suggested to file them in a 3-ring binder for handy reference.

Very truly yours,

BUTLER & SMITH, INC.
